How are premiums paid?

Your premiums are deducted from your paycheck.

I am covered under my spouse's health insurance. Am I still eligible for this coverage?

Yes, you are eligible for this coverage regardless of any other health insurance plans. You may also choose to cover your dependents, including your spouse.

I have a claim to file. Should I wait for my health insurance to process the claim first?

No, you do not need to wait to submit your claim. Covered expenses and reimbursement for eligible claims are paid directly to you, independent of when your primary health insurance carrier pays your health care provider.

How do I submit a claim?

Claim forms and instructions to submit a claim are available on ohiohealthreward.com. You can submit a claim by completing a claim form, or submit claims online using the digital claim submission tool/application. To check the status of a claim, please contact Customer Service (1-877-717-4455).
