# Maintenance Choice

**With Maintenance Choice**, medications you take regularly (such as diabetes, asthma or high blood pressure) **must** be filled in 90-day supplies at CVS Pharmacy or through CVS Caremark Mail Service Pharmacy

You can choose pickup or Rx delivery by mail – either way, the cost is the same

90-day supplies are more convenient and usually cost less

If you fill prescriptions for medications taken regularly at any other pharmacy, or in 30-day supplies, you will pay more.

**Need to transfer your prescription?**

# Managing your high deductible health plan (LVMH CDHP)

## What you need to know

**You'll pay 100% of the cost of your medications until you or your family meet the annual deductible**

Some preventive medications may bypass the deductible or be covered at 100% – see your plan summary document for details

**Once you meet the deductible, you'll pay the appropriate coinsurance.**

Your deductible may combine pharmacy and medical expenses – see your plan summary document for details

**If you or your family meet your maximum out-of-pocket amount (MOOP), 100% of the cost of your medication is covered (you pay \$0)**

**The amounts you pay toward your deductible and MOOP DO NOT roll over from year to year**

**Deductible amounts for 2022**

Individual:  
**\$1500**

Family:  
**\$3000**

**MOOP amounts for 2022**

Individual:  
**\$4000**

Family:  
**\$6850**

# HDHP Preventive Drug List

**Even if you haven't met your deductible, these medications bypass your deductible and are covered from day one of the plan year:**

**Certain medications**, supplements or products to:

- ✓ Manage certain health conditions, like high blood pressure, diabetes or high cholesterol
- ✓ Help you quit smoking or stop using tobacco
- ✓ Prepare for certain health screenings in adults

**Vaccines and immunizations** to prevent certain illnesses in infants, children and adults

**Contraceptives for women**

**Find the full list at [Caremark.com](https://www.caremark.com)**

Please note: your exact benefits may vary – see your benefits materials for details.

**Available for UHC  
Premium or Value Plan**

**LVMH is working with PrudentRx to reduce your out-of-pocket costs for specialty medications to \$0**

- ✓ Pay \$0 for any medication on your plan's Exclusive Specialty Drug List for as long as you're enrolled – even if there is no copay program available
- ✓ PrudentRx works with manufacturers to get copay assistance for your medications
- ✓ PrudentRx handles all the details for you — no need to worry about renewals or expiration dates

**Watch your mailbox for more information.** Your enrollment in the program will be started automatically, but some additional steps may be required.\* You can choose to opt-out at any time. If you opt-out, you'll have to pay 30 percent of the cost of your medication

Please note: the amount paid for your medication by manufacturers is not applied to your deductible/MOOP.

## 2021-2022 PRESCRIPTION BENEFITS

# Pay \$0 for specialty medications with PrudentRx

\*Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must call PrudentRx to participate in the copay assistance for that medication. PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer, you will be responsible for 30 percent of the cost of your specialty medications.
